

# Lenten Taizé Service

Wednesday March 1, 2023

As you meditate this evening, take time to focus on the cross of Christ. Reflect on the gifts of Grace, forgiveness and eternal life that we have been granted because of the suffering and death of Christ on that cross.

## Taizé

A Taizé service is a service of song and silence, prayer and scripture, that offers to lead participants to contemplate and celebrate their relationship with God and with one another.

Music repeats many times. It begins with a simple melody that we sing together, and sometimes stays that way, and sometimes builds as it progresses. If another part, instrument or soloist joins the music, you can continue singing, noticing how that part fits with yours. If you would sometimes prefer to quit singing and experience the music as an observer, please do.

Texts are short and reflective as well. It is always good to think about a reading, but Taizé invites you to feel a reading and to interact with it.

Prayers are invitational and conversational. You are not addressing a faraway being, but entering a dialogue with the living present Christ.

Silence is intentional, there are opportunities to wonder or to consider the words or music you have heard. If a silence feels too long, you might ponder the bulletin cover or focus on the flickering candles.

After the service, you may stay in the sanctuary as long as you like for prayer or simply to dwell in silence.

***Hymn: Only You O God***

Refrain: Only you, O God, And you alone,  
the broken heart console.  
Only you O God, and you alone,  
the wounded world make whole.

vs.1 O God, our rock and haven  
our stronghold, safe and sure.  
though earth be torn and shaken,  
in you we stand, secure.

vs. 2 We pray, do not abandon  
the ones you call your own.  
our comfort and companion,  
we trust in you alone.

Please feel free to stay in the sanctuary or linger online for as long as you want for prayer. You may stand or kneel at the cross for prayer. If you are worshipping from home you may want to light a candle during your worship.

When you are finished, please leave the sanctuary and church in meditative silence.

If you feel a need for prayer and conversation after the service, please let the pastor know and space for holy conversation and prayer will be made available for you.
